

ASSA 10450 Twin

Cam Lock Twin

Performance

ASSA Twin is a lock construction with drill protection for top security. 9-pin cylinder lock for material thickness up to 22 mm.

The construction has both top and side coding which give the highest amount of differs in our assortment. Can be master keyed.

Cylinders of bright chrome plated brass and keys of nickel silver. Large selection of 3 mm thick catches.

Function

The key turns 90° and can only be removed when the catch is in the locked position.

Right hand turning as standard and left hand is available on request.

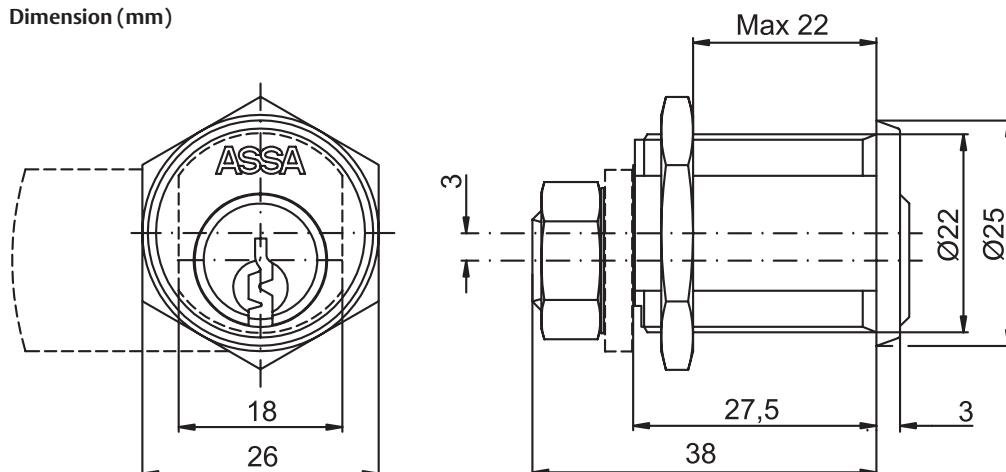

ASSA ABLOY, the global leader
in door opening solutions.
